Information 

Content of this message:

- Publication of the updated [“SMR14 – Release Guide”](#)
- Publication of the updated specifications of the SWXess interfaces

In the [SIX Swiss Exchange message 16/2024](#), SIX Swiss Exchange announced the SWXess Maintenance Release 14 (SMR14).

With this message, the SIX Swiss Exchange AG is informing participants about additional adjustments to SMR14, along with the updated and newly published versions of both the [“SMR14 – Release Guide”](#) and the specifications of the SWXess interfaces.

Release Guide

Please find all the currently available business-related information regarding SMR14 in the [“SMR14 – Release Guide”](#), an updated version of which is being published together with this message. This new version of the brochure contains information about the additional functional changes and regulatory impact of SMR14, as well as details concerning the migration, rollout, and testing phases. The Release Guide also refers to other documents that are relevant for SMR14.

Specifications of SWXess interfaces

The adjusted [specifications of the affected SWXess interfaces](#) and further technical information can be found in the [“SMR14 – Release Guide”](#) and in the [Member Section](#) of SIX Swiss Exchange AG.

SIX Swiss Exchange AG continuously strives to expand and improve its range of services and products, as well as its SWXess trading platform. As participants, you can benefit from the improvements that will be introduced with SMR14.
