Pages 2

Date 12.11.2024

Information 

Content of this message:

- SMR15 is a Maintenance Release of the SWXess trading platform with adjustments required in the SWXess interfaces
- The introduction of SMR15 is planned as follows:
 - Membertest environment on **3 March 2025** (Stage 1) and on **31 March 2025** (Stage 2)
 - Production environment on **12 May 2025**
- First publication of the “[SMR15 Release Guide](#)” and the updated specifications of the SWXess interfaces

SIX Swiss Exchange is introducing a further release of its SWXess trading platform as part of its ongoing optimization efforts. The SWXess Maintenance Release 15 (SMR15) contains **required** adjustments to the SWXess interfaces and its main purpose is to introduce enhancements and optimizations to trading on the exchange.

Introduction

The rollout of SMR15 to the Membertest and Production environment has been scheduled for the following dates:

Date	Activity
3 March 2025	Introduction of SMR15 (Stage 1) in the Membertest environment
31 March 2025	Introduction of SMR15 (Stage 2) in the Membertest environment
12 May 2025	Introduction of SMR15 in the Production environment

Release Guide and Specifications of SWXess Interfaces

With this message, SIX Swiss Exchange publishes the “[SMR15 Release Guide](#)” for the first time, providing information on the functional and technical changes for Membertest Stages 1 and 2 as well as [the specifications of the affected SWXess interfaces](#). The documents are available on the following websites:
